

PROFILE COMPANY

## CHAIRMAN'S WORDS

We collect the ancient civilizations that have disappeared and dissolve them in our Pharaonic civilization and bring them out in a modern framework that dazzles pain through our innovative designs and the magic of creativity of our ideas that make Egypt shine with its magic before the world and which places it as a crown for the world

## COMPANY PROFILE

The company was established with the aim of being a pioneer in attracting foreign investments to Egypt in light of what it is witnessing in the era of history of openness to the world under the umbrella of a wise and enlightened president

As well as the company is unique in exporting modern Egyptian thought and Egyptian creativity to the world, in various fields, including, for example, but not limited to Management of international projects and protocols ... Real estate development in major and touristic projects This makes us contribute to building the new republic
